March 23, 2020

Dear TCCS Community,

I hope that everyone is doing well as we embark on our second week of home instruction.

As I mentioned in my most recent message, as this crisis and the mandated closure of schools will continue until further notice, we are looking to transition our distance learning plan to incorporate more video and interactive technology-based content.

You may recall that all families were asked to complete a brief survey earlier this month regarding student access to devices and internet at home. Based on the results, we did send a number of chromebooks home for students to borrow prior to our closure. Since that time, a number of other parents have reached out requesting to borrow chromebooks and have been provided devices, as well.

Considering the upcoming transition to a more technology-based approach for all grade levels, I understand that even more families may be in a position of need. With this in mind, we would like to provide families with one more opportunity to borrow a chromebook from the school, should they need to.

If you need to borrow a chromebook and can come to the school between the hours of 10am and 2pm tomorrow (Tuesday, March 24), please fill out a brief request form at https://bit.ly/tccs-cb-request ASAP and instructions for redeeming will be provided to you. Due to social distancing protocols and the recent stay at home guidelines that have been provided by Governor Murphy, we ask that you not just show up at the school without completing the request form. This will ensure that we can safely distribute devices to anyone who truly has a need. Thank you for your cooperation.

If you have any questions, please feel free to email me. Otherwise, please continue to stay safe and healthy.

Thanks and Best Regards,

Ralph Gallo
Lead Person / Director
