Dear TCCS Parents and Guardians,

I hope that everyone is doing well and staying healthy. I have a few updates to share as we head into this warm weekend.

First, as we approach the end of the school year, it is once again time to ask for your help in allowing the Board of Trustees and Administration to understand our parents' opinions regarding TCCS. Additionally, as we reflect on the distance learning program that we have been using while NJ school buildings have been closed due to the COVID-19 crisis, we are seeking your feedback to help us learn from our experiences, should we need to return to distance learning during the 2020-2021 school year or any other time in the future. To accomplish this, we are asking each family to provide feedback via the annual Parent Survey.

This online survey can be completed at <http://bit.ly/TCCSParentSurvey20> and has a submission deadline of Monday, June 1. Please take a moment to fill it out, as your feedback is very important to us.

Next, to provide some important information regarding the end of this school year, including the retrieval of student belongings, the year-end activities we are planning, as well as some of the preparations that we are making for the coming school year, I will be hosting another virtual town hall meeting next Thursday, May 21 at 7pm. Instructions for accessing the meeting and a link to submit questions in advance will be shared in the coming days.

Finally, while I understand that many families look forward to our annual summer camp offerings as a welcome opportunity for student engagement and enrichment, I'm sorry to share that we have made the difficult decision to cancel our TCCS camp programs for this summer. With a desire to minimize occupancy as we focus on having our building clean, sanitized, and ready for the 2020-2021 school year, we believe that this decision was the best and safest one to make. We apologize for the inconvenience and hope to be able to offer our camps again in 2021.

Please stay safe and healthy and feel free to reach out with any questions. Have a great weekend!

Thanks and Best Regards,

Ralph Gallo
