Dear TCCS Community,

I hope that everyone is doing well as we approach the final two days of the 2019-2020 school year! There are a few timely updates and reminders that I wanted to share.

As you know, we have some important virtual events scheduled for tomorrow and Friday:

First, we will have a schoolwide viewing of our TCCS' Got Talent show, which will feature members of our student body and faculty showing off their skills. Thank you to the TCSCO and Ms. Lori for coordinating this fun end-of-year activity. The show will start at 11am and a link to view will be posted on the TCCS website shortly before it begins.

Next, I invite the entire community to tune into our virtual graduation ceremony for the TCCS Class of 2020. It will begin at 6pm tomorrow night and a link will be posted on the TCCS website before it begins. Please visit [TCCS Commencement 2020 Program](#) for more information regarding this tribute to our graduating students.

Finally, as Friday is the last day of the school year, we will be conducting a virtual "clap out" for our graduates at 11am. The link will be posted on the TCCS website. Please contact your students' teachers if you have questions about other virtual class gatherings that will also take place on Friday.

As for other end of year reminders, please note the following:

- Report Cards will be available in the parent portal on Saturday, 6/20.
- Teachers will be sharing details regarding summer homework assignments and they will be posted on the TCCS website.
- We are holding off on issuing any supply lists until we have a better idea of what the 2020-2021 school year will look like.
- If you are in grades K-7 and borrowed a chromebook from the school, you may keep it over the summer to complete summer work.
- If you are in grade 8 and borrowed a chromebook, it must be returned. Please bring it when you pick up locker belongings (see the attached schedule).
- If you are an upper school student and have a Math textbook, please bring it when you pick up locker belongings (see attached schedule).

In regards to all other personal student belongings for grades 3-8, please see the attached information and contact me with any questions (or if you are a Kindergarten or 1st-2nd grade parent who needs to retrieve a student belonging that is a MUST HAVE for the summer). Otherwise, have a good evening and I hope to see you online at tomorrow's virtual graduation!

Thanks and Best Regards,

Ralph Gallo
