

ART Supply List - 2020-2021

Below is the art supply list for the 2020-2021 School Year. I have attached links to amazon for your convenience. Please feel free to purchase your supplies anywhere you choose. These materials will all be necessary to complete all art assignments. Please keep all art materials together in a gallon ziplock bag to make locating them easier on assigned art days. Art will remain REMOTE the entire school year even if you choose the hybrid schedule. Art materials should be kept at home. Please feel free to invest in better art materials. I was trying to keep my list as cost effective as possible.
