Hello Parents,

I hope that everyone is doing well and that the routine of our remote learning program has become a bit more comfortable for you and your child(ren), since we started a little over a week ago. I am writing with two important announcements:

### Friday, 9/18 Schedule

While our school calendar lists tomorrow (Friday, 9/18) as a half day, we will still be following our regular remote instruction schedule for Fridays, as we need to ensure at least 4 hours of instruction for the day to count. However, teachers will not be holding their regularly scheduled 2pm office hours. If your student is unable to attend their afternoon classes due to a religious observance, please let their teacher(s) know and they will be excused from attendance, but must make up any missed work.

### Parent Office Hour Back to School Event

As discussed at Monday's Board of Trustees meeting, in lieu of a traditional Back to School night, we will be hosting an informal office hour event next Monday evening at 6pm, where parents will be able to visit teachers' virtual zoom sessions to learn about curriculum, student expectations, online tools, procedures and other things pertaining to our remote instruction program. This will not be a time to discuss individual student needs or issues. A schedule of virtual meetings (including links and relevant times) will be sent out to parents on Monday.

Thanks and have a great day!

Best Regards,

Ralph Gallo
