September 25, 2020

Hello TCCS Community,

Please note that the school will be CLOSED for Yom Kippur on Monday, September 28 and there will be no remote instruction. Distance learning will resume on Tuesday, September 29. Please also note the following:

Hybrid In-Person Instruction

Our hybrid in-person program will begin on Monday, October 12. In the coming week, you will receive information regarding your students' hybrid schedules, including their cohort assignment, so you are aware of which days of the week they will be in-person (unless you have opted for your student to remain fully remote). If you recently enrolled and/or did not submit your program choice for the first trimester, we will be following up in the coming days, as we need to know the intention of each family prior to our October 12 reopening. If you qualify for transportation, the Teaneck Transportation Department will be following up in the coming days with a survey, as students must be assigned seats to comply with social distancing mandates. At our next Board of Trustees meeting (7pm on Monday, October 5), I will be making another presentation about our hybrid program, with reminders and updates about our building safety upgrades and revised protocols and policies. I invite you to attend to keep up to date on the transition from our remote instruction program to our hybrid in-person program.

Free and Reduced Lunch Applications

Although our lunch program has not yet started, it is important for any family who may qualify for free or reduced lunch to apply online at <http://bit.ly/TCCSFreeReducedApp20-21> at your earliest convenience.

Arts in the Parking Lot Program

There are still a few spots left for next Wednesday's Arts in the Parking Lot event. Please visit <http://bit.ly/tccs-arts-sept20> for details and RSVP before all 46 spots are gone!

Thanks and have a great weekend!

Best Regards,

Ralph Gallo

Lead Person / Director
