October 29, 2020

Hello TCCS Community,

Due to our current hybrid schedule and social distancing / occupancy restrictions, we will not be holding our annual "Harvest Festival" celebration this year. However, in an effort to provide students with a sense of normalcy, we have decided to allow students to wear costumes to school and/or in their virtual classroom sessions tomorrow, Friday, October 30. The decision to wear a costume is entirely optional and is not mandatory for participation in class.

Aside from wearing costumes in class, the daily schedule will resume as it normally would, with no costume parades or parties. Students should not bring candy or treats into the building.

Students will not change into or out of their costumes while they are in school and will still be required to wear a cloth or disposable mask that covers their mouth and nose, even if they also have a mask as part of their costume.

Please keep your child's safety in mind when planning costumes. They should be appropriate for elementary-aged children and should not include objects that resemble weapons. Any items deemed inappropriate will be confiscated. Finally, please be sure to check that all costumes fit properly, to avoid tripping or falling, and that masks do not obstruct vision.

Thank you for your cooperation!

Ralph Gallo, Lead Person / Director

Sonia Torres, Principal
