March 3, 2021

Dear 3rd-8th Grade Parents,

Please note that the deadline to “Opt-In” for hybrid in-person instruction for the third trimester, which begins on Monday, March 15, is next Wednesday, March 10. Requests must be submitted online, using the button posted on the TCCS website, or directly at <https://bit.ly/tccs-prog-change>. Requests to switch to the full remote program can and will be accepted at any time, but those who opt-out (or remain in their full remote program) for the third term will not be able to opt-into hybrid in-person instruction for the remainder of the school year. *Note: If you are not changing your current program selection for the third trimester, you do not need to submit a form.*

As discussed at recent Board meetings, we are committed to increasing our in-person instruction capacity in the building, as long as we can safely do so. In line with this philosophy, as we approach the spring and the warmer weather, we will be looking closely at local virus transmission levels, as well as our third trimester class makeups and cohorts to see if it will be possible and safe to increase the amount of in-person instruction that we are able to provide to our 3rd - 8th grade students. This may be accomplished through an increase in the number of days attending or potentially through a slight increase to the length of the in-person school day.

Again, our ability to increase in-person capacity for these grade levels will largely rely on the number of students opting-in for the third term, as well as local conditions. With this in mind, any potential changes will not likely be implemented until after our April Spring Break, which will be followed by a week of remote instruction for all students.

Feel free to contact me with any questions. Otherwise, have a great rest of the week!

Thanks and Best Regards,

Ralph Gallo

Lead Person / Director
