Dear TCCS Community,

On this one year anniversary of the day we first closed our doors due to the Coronavirus pandemic, I want to thank and applaud our entire community on the amazing job you've done over the course of this past year. None of us could have imagined that what was originally scheduled to be a 2 week closure would have transformed the end of last year and the entirety of this school year so greatly. However, due to the hard work and commitment of our entire community of educators and families, we have progressed and continue to adapt and innovate for the good of our students. I understand the sacrifices that all stakeholders have had to make and truly appreciate everything you've done and continue to do for our kids.

As we move into the third trimester and "Phase 3" of our school year on Monday, I am excited to welcome more students into the building for in-person instruction and hope that we can continue to work our way back to some semblance of normalcy as we finish off the 2020-2021 school year and prepare for the 2021-2022 school year. Stay tuned for more information!

Please note the following announcements and reminders:

While no spectators will be allowed in-person, you can view the game and performance LIVE at <http://bit.ly/tccs-tornadoes-3-12-21>. Feel free to tune in and enjoy the stream from the comfort and safety of your home. Go Tornadoes!
