Dear Parents and Guardians of our Graduating 8th Graders,

As you know, this evening's graduation ceremony was scheduled to occur outdoors in the TCCS parking lot at 6pm. Unfortunately, the updated weather forecast now indicates that there may be thunderstorms in our area at that time, so in the interest of safety, we have decided to move our ceremony indoors to the TCCS gymnasium.

All other details of the event (guest limits, event time, etc.) will remain the same. However, as we will now be inside our air conditioned school building, mask wearing will be mandatory for all attendees - regardless of vaccination status, in accordance with school policy and the guidance we have received from the local health department. I thank you in advance for your cooperation.

As our parking lot is reserved for our faculty and staff, all visitors to tonight's graduation should find legal street parking. Guests should enter the building via the gymnasium doors located in the front of the building. Please note, you will not get physical tickets. Instead, the names of your guests will be included on a list at the door (based on your RSVP submissions).

We are all very excited to see you at this evening's ceremony and are looking forward to honoring and celebrating the TCCS Class of 2021!

Thanks and Best Regards,

Ralph Gallo
