September 2, 2021

Dear Parents and Guardians,

I hope that everyone made it through last night's storm without significant damage to your homes or property. I appreciate your efforts and flexibility in getting our students to school for today's delayed opening.

As shared in my COVID-19 protocols presentation, large scale indoor school events will be broken up until further notice, so that we can keep the building occupancy within a safe limit. While I originally shared tentative information about our Back to School Nights, we have settled on different finalized dates. Thus, our two Back to School Nights will take place as follows:

**Kindergarten, 1st, & 2nd Grade Back to School Night** - Monday, September 13 from 6-7pm

**3rd-8th Grade Back to School Night** - Tuesday, September 14 from 6-7pm

To avoid a mass gathering, parents should report directly to their child(ren)'s homeroom at 6pm on the applicable night(s). Please arrive early enough to find legal street parking.

**IMPORTANT:** Due to classroom distancing mandates, only ONE adult per student (per classroom) may attend. Those with students in multiple grade levels or classes may have more than one parent attend, but they must be split up into different classrooms. Additionally, please note that these Back to School Nights are "Adults Only" events. Students and/or other children may not attend and childcare will not be provided. Finally, per Governor Murphy's Executive Order 251 and our official COVID-19 protocols, masks must be worn by all individuals inside the building, regardless of vaccination status. This rule will apply for these events, as well.

Thank you for your cooperation in adhering to these guidelines to help us ensure the safety of our community, while we continue to do our best to return to some sense of "normalcy". We look forward to seeing you on September 13 and/or 14!

Thanks and Best Regards,

Ralph Gallo

Lead Person / Director
