

# Help the Planet by Recycling Your Sneakers

**TCSCO is proud to participate in our first annual sneaker drive fundraiser!**

Every pair donated earns money for our school. The materials from your old sneakers will be recycled to produce shoes for children-in-need around the world! It's as simple as cleaning out your closet of any unwanted sneakers or sports cleats and having your Child(ren) bring them to school! It's a win-win!!

Shoes in landfills can take 30 to 40 years to decompose.

GotSneakers' sneaker drive fundraising program is designed to motivate the sneaker recycling community towards the collection of wearable, reusable athletic sneakers. We kindly ask our participants to NOT send any non-athletic footwear including but not limited to boots, heels, sandals, and dress shoes of any kind. Our compensation will be based on specific styles and quality.
