November 17, 2021

Hello TCCS Parents,

With the holiday season quickly approaching, I felt it would be a good time to remind you of our current travel policy, as it pertains to non- and partially vaccinated students.

As outlined in our 2021-2022 [TCCS Covid-19 protocols](#), student and staff travel is permitted, but non-vaccinated staff and students will need to quarantine if they travel beyond NJ or bordering states. The current quarantine period is 7 days (with a negative Covid-19 test) or 10 days (without a test) after returning from travel, provided that they do not have any potential Covid-19 symptoms.

In order for the school to properly track travel quarantines, and for teachers to have sufficient time to prepare and share classwork for students who will be under them, we ask that you please complete a brief online travel report form at <https://bit.ly/tccs-str> any time you know that your non- or partially vaccinated student will be traveling beyond NJ or bordering states. The information submitted will be for school related purposes only and will not be otherwise shared.

Again, this ONLY applies to students who are non- or partially vaccinated. Based on our protocols and guidance from the NJ Health Department and Department of Education, students who are fully vaccinated (2 weeks after their second shot) may return to school after travel without the need to quarantine.

On the topic of student vaccinations, I am working with our student information system vendor to provide parents with the ability to upload student Covid vaccination information and proof via the parent portal in the near future. More information on this will be coming soon!

In the meantime, your cooperation and honesty regarding student travel is greatly appreciated. This advance reporting will be very beneficial to your student and the school community, as we follow our safety protocols and do our best to minimize disruptions to our students' education.

Please feel free to email me at rgallo@tccsnj.org if you have any questions.

Thanks and Best Regards,

Ralph Gallo
Lead Person / Director
