Hello Parents,

Happy New Year! I wanted to share two quick and important reminders before we return to school tomorrow.

First, as shared in my [message from last week](#), we will have half days this entire week. Please make sure your students are picked up at the appropriate time each day.

Second, while this should go without saying, please DO NOT send your students into school if they are exhibiting ANY potential [Covid-19 symptoms](#) (without an alternative diagnosis from a doctor). They will be sent home.

Your assistance and cooperation will be vital, as we work together as a community to get through the start of this new year as safely as possible. Should there be any additional updates at any point during our first week back, they will be communicated as quickly as possible.

Thanks and Best Regards,

Ralph Gallo
