Hello TCCS Community,

Please note that earlier this afternoon, as part of our standard safety protocol relating to an emergency medical situation at the school, we had to call a partial and brief “shelter in place” order, where students continued to go about their classwork, but hallways were kept clear to allow emergency response personnel to enter the building.

Thank you to all students and staff for their cooperation in following the safety protocols and to the medical response team for their prompt assistance with the matter, which was quickly resolved.

If you have any questions about our safety protocols, including our various monthly emergency drills, please reach out to Principal Torres at storres@tccsnj.org.

Thanks and Best Regards,

Ralph Gallo

Lead Person / Director
