Hello TCCS Community,

I am writing as a follow-up to the earlier notification that Bus B was “significantly delayed” this afternoon. As you may have already heard or read online, it turns out that the bus, which is operated by D&M Tours and provided by the Teaneck Board of Education, was in an unfortunate accident on Cedar Lane while it was en route to the school to pick up our students. According to reports, the driver may have suffered a medical emergency, which resulted in the bus crashing into a local storefront before any of our students were on board. Our understanding is that there were no other injuries at the scene.

I have been in contact with the bus company, and while the condition of the driver is currently unknown, I passed along best wishes from TCCS for a full and speedy recovery. Our thoughts are also with any of our neighbors and business owners on Cedar Lane who were negatively impacted by the accident.

Many thanks to our staff and parents who provided flexibility and cooperation in ensuring that the delayed students were safely picked up and/or transported to their homes.

Please feel free to let me know if you have any questions. Otherwise, have a safe night!

Thanks and Best Regards,

Ralph Gallo

Lead Person / Director
