

**June, 2022**

Dear Parents/Guardians and Rising 7th/8th Graders,

I am looking forward to an exciting 2022-2023 school year in Language Arts.

**Required Reading**

Rising 7th and 8th graders are required to read the three books from the March trilogy, a set of graphic novels about the life and accomplishments of the late Congressman John Lewis. March Book 1 - 3 tells the inside story of the Civil Rights Movement through the eyes of one of its most iconic figures. It is an award-winning and best-selling book trilogy and will provide students with lots of information about the movement, which will be important for our reading in class next year. The books are available in the Teaneck library and can also be purchased from Amazon or Barnes and Noble. They are also currently accessible on the ComicExtra website. Click on the following links to read each book.
