November 16, 2022

Hello TCCS Community,

As presented at our most recent Board of Trustees meeting, I'm pleased to share that in an effort to continue providing a safe environment for in-person instruction, TCCS has enrolled in the NJDOH K-12 COVID-19 School Testing Program to provide FREE At-Home COVID-19 tests to all students and staff members.

In accordance with the program, every TCCS student and staff member will be sent home with an initial allotment of two over the counter test kits per month, to be used as necessary. Tests should be administered to any student or staff member with possible COVID-19 [symptoms](#), and any positive results MUST be reported to the school nurse's office.

Students will be sent home with their first pair of test kits (there are two tests included per box) this Friday, November 18.

If you have any questions, please feel free to contact me at rgallo@tccsnj.org or Nurse Rose at rdesrosiers@tccsnj.org. Otherwise, thank you for your cooperation and vigilance as we strive to keep TCCS a safe and healthy environment for learning!

Best Regards,

Ralph Gallo
Lead Person / Director
