Dear TCCS Community,

I am writing today with an important update regarding the Governor's Educator of the Year program that I announced yesterday.

After receiving permission from the NJ Department of Education, I'm pleased to share that we have updated the nomination submission deadline to Tuesday, November 22! In addition, to make it easier for our community of staff, students, and parents to submit nominations, we will also be accepting them directly via an online form, which is available on our website and directly at <https://bit.ly/tccs-geoy-22>.

You may make as many nominations as you'd like, but to assist the scoring committee in reviewing submissions, please be sure to follow the instructions on the form and cite specific examples to support your choices.

Please feel free to contact me with any questions. Otherwise, thank you again for your participation in this program and for helping us to recognize the great educators that we have at TCCS!

Thanks and Best Regards,

Ralph Gallo
