Dear TCCS Parents,

As described in the Teaneck Community Charter School [mission statement](#), “The faculty, staff, parents, extended family, and other members of a child’s support network are committed to creating and operating a student-centered “learning community” which promotes and supports a child’s natural curiosity and enthusiasm for acquiring knowledge.”

In addition, our most recent [strategic plan](#) calls for us to “increase experiential learning in and out of the classroom”, “create a program to get parents in the classroom”, and “increase parent involvement to promote a united, happy TCCS family”.

In the spirit of our mission and strategic plan, the school’s administration and the Communications subcommittee of the Board of Trustees have created a questionnaire for parents to provide details regarding their occupations, should they decide to make themselves available as a resource to our students and teachers.

The form is available online at <https://bit.ly/tccsos23>. While not mandatory, parents are encouraged to participate and to share this information, as we would like to tap into the diverse and valuable knowledge and experiences of our community for the benefit of our students.

There is no deadline for submissions, and they will be accepted on an ongoing basis (as we understand that occupations can change). However, if you are interested in providing your information, please do so at your earliest convenience, so that we can begin to compile and share these resources with our teachers and stakeholders.

Thank you in advance for your cooperation and support. Please feel free to reach out to me at rgallo@tccsnj.org if you have any questions.

Best Regards,

Ralph Gallo
Lead Person / Director
