****Make-up testing will take place any time between May 2 - June 2.***

Please make sure your children eat before coming to school and arrive on time, as testing will begin first thing in the morning. In addition, all students must bring a book or other recreational reading material to read when they are done testing each day. Due to state mandated security protocols, electronic devices such as e-books, tablets, and cell phones, etc. will NOT be permitted for reading. Headphones will be provided for applicable sections of testing, but students may elect to bring their own (they may not be wireless), should that be preferable.

You can visit <https://www.nj.gov/education/assessment/resources/district/> for information from the NJ Department of Education regarding the NJSLA, including parent resources and practice tests. If you still have any questions after reviewing the site, please feel free to contact me.

Thanks and Best Regards,

Ralph Gallo
