

District Goals 2023-2024

1. Utilizing Data to Improve Student Achievement

- a. Implement a comprehensive data analysis system to track student progress and identify areas of improvement.
- b. Provide professional development opportunities for teachers to effectively use data-driven instruction techniques.
- c. Regularly review and adjust curriculum based on data analysis to ensure alignment with student performance and educational standards.

2. Improving Student Discipline and Accountability

- a. Revise and communicate a clear and consistent code of conduct that emphasizes positive behavior and consequences.
- b. Utilize the school's PBIS program to encourage self-monitoring and responsibility for actions and to reward positive behavior.
- c. Provide ongoing training for staff members on proactive classroom management strategies.

3. Increasing Hands-On Learning Opportunities for All Students

- a. Integrate project-based learning experiences into the curriculum across all grade levels and subjects.
- b. Foster partnerships with local businesses, organizations, and experts to provide real-world learning opportunities.
- c. Create dedicated spaces and resources for hands-on activities with a focus on STEM / STEAM based projects.

4. Improving Communication and Procedures Regarding Special Education

- a. Enhance collaboration between general education and special education teachers to create inclusive classroom environments.
- b. Conduct regular workshops and informational sessions for parents and guardians of students with special needs.
- c. Implement a comprehensive system for tracking and monitoring the progress of students with special needs, involving all relevant stakeholders.

5. Ensuring a Safe and Secure School Environment

- a. Review and update the school's safety protocols and emergency response plans in collaboration with local law enforcement and first responders.
- b. Conduct regular safety drills and training sessions for students, staff, and faculty to ensure preparedness in various situations and communicate relevant information regarding safety protocols to parents and other stakeholders.
- c. Enhance security measures throughout the school premises, including monitoring systems, access control, and visitor management.
